WWW.THEDJDG.COM :: 310.425.DJDG

DJ DG's love and passion for music has helped him achieve many huge milestones over the last decade of his DJing career. Most notably, he's performed in arenas for over 12,000 people and has been televised on both ABC and CBS and has a weekly mixshow on 96.1 The Beat streamed worldwide on iHeartRadio. Well practiced and well focused, DG's abilities go well beyond playing great music. His experience plays a significant role in his specialty to customize his set to the exact crowd he's playing for, adjusting accordingly when he sees fit. He is consistently a top choice for formal and corporate events as well as high energy clubs and Hollywood hot spots! Pulling from his deep knowledge of music and his multi-genre open format musical talents, crowds respond with an addiction to his performances. Naturally, his progression as a high caliber DJ has led him to perform at major and exclusive events with other globally respected artists including Estelle, Far East Movement, Talib Kweli, 3OH!3, Hello-Goodbye and more. DJ DG's positivity uplifts and entertains, and combined with his hard work and ambition, can only lead to more great things to come. This journey has just begun!
